The 1982 G.A.H.S. varsity baseball team had a very successful season. The overall record was 15-5-1, and the BML record was 14-4-1. Led by head coach, Leo Duncan, and assistant coach, Jim Thomas, the Blue Devils won the BML Southern Division and the BML Co-Championship.

An outstanding senior player, Joe Szaflarski, helped to lead the Blue Devils on to victory with 58 strike-outs and a pitching record of 5 and 3. He has the lowest E.R.A. of 2.28 followed by Bob Fignar with 2.30 and Carl Dixon with 2.80. Mike Ensminger and Alan Izer led the team in hitting with .344 and .343 averages. Ensminger had 3 home runs and Izer had 4 home runs while Keith Yohn had an errorless season. Tim Kershner, an outstanding centerfielder, had only 3 errors. Other notable performances included Alan Izer with most runs-23 and Ron Barnhart with 5 doubles.

The 1982 Seniors will definitely be missed next year especially with the terrific season they had, but Coach Duncan says he's looking forward to another successful season next year.

The 1982 Softball Team was one of the Highlights of the GA sports season. In only its second year of existence and the first year in the Blue Mountain League, GA was able to win the BML Southern Division Title.

The high point of the season was the exciting 9-8 playoff victory over rival James Buchanan, after losing to them twice during the regular season. GA also shut out Class AA district five Champion Southern Fulton 10-0 on a no-hitter. Three of the teams defeats came at the hands of undefeated State AAA Champion Shippensburg. Eight letter winners remain from the 1982 team.

At the Shippensburg Invitational, the boys had their usual good day. This year, due to the fine efforts of the distance runners, Kevin Kendle led the way with a first in the class AA 1600M run.

At the Sonny Shephard relays, four of the first five in the open mile were from Greencastle. On April 24, Kevin Kendle finished second in the 1600 at the Dickinson Invitational. The boys' team was seventh of 16 teams at the BML Conference Championship with Kendle taking first in the 1600 and third in the 3200.

The 400M relay team, 3200M relay team, Kevin Kendle, and Bryan Thomas all qualified for the District III PIAA Championships. Kendle finished first in the 1600, and he, along with Thomas, qualified for the state meet in both the 1600 and the 3200 but did not place in the event they entered, the 3200M run.

The third consecutive undefeated dual meet season, and the third BML Championship highlighted another highly successful season for the Boys' Cross Country team. The boys, under fifth year coach, Greg Hoover, ran their consecutive win strand to 37 as they finished the dual meet season 8-0. Along the way, they successfully defended their titles in the Boonsboro Invitational and the BML Conference Meet, and a strong second place showing in the prestigious State College Invitational.

The boys successfully made the transition from AA competition to AAA, as they nearly upset favored Carlisle for the District III title, losing by just one point. In their third straight trip to the State Championship meet, the boys finished fourth, competing against the biggest and best schools in the state.

The Blue Devils were led all season by a trio of seniors, Bryan Thomas, Brian Korrell, and Vaughn Martin. These three were instrumental in not only this year's success, but the success the cross country team has had over the past three years. All three earned All-Conference honors with Thomas winning the individual conference championship and All-District honors. Thomas received All-State honors as he finished fourth in the state meet.

"In five years of coaching, no team has worked as hard as this one, and that's saying quite a lot", said their coach.

"Considering the fact we were supposed to struggle to win the BML, and not being considered a contender for the District title, let alone being one of the top four teams in the state, show how much desire and work went into the year" concluded Hoover.

After years of following in the shadows of the Boys Cross Country team, the girls squad proved to everyone through-out the state that, yes, there is girls cross country at Greencastle- Antrim

The youthful group of runners raced through the most successful season ever by a girls team at GAHS. With a varsity squad consisting of four freshman, one sophomore, one junior, and two seniors, the girls won seven dual meets, while losing just one. They also claimed the team championship at the Boonsboro Invitational, edging out Maryland state champion Williamsport. That one loss, however, cost the girls the BML title to Gettysburg, but, the girls did get their revenge, as they upset the Warriors at the BML Conference Meet. But the best was yet to come

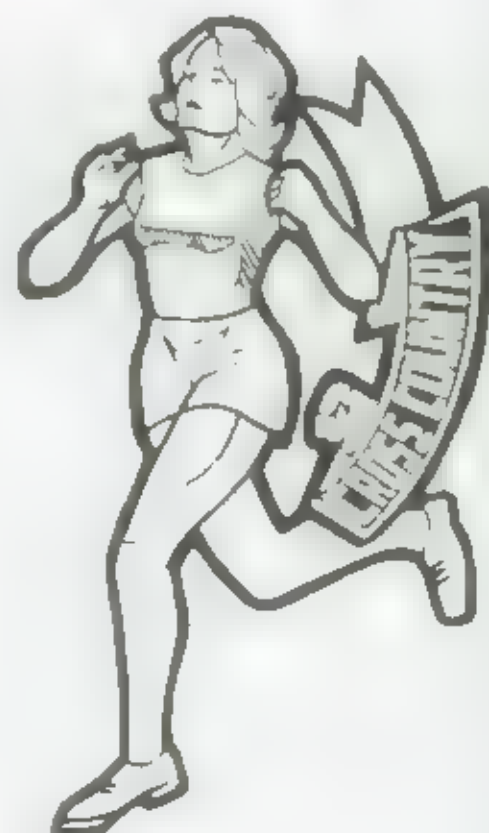

Led by three district medal winners, the charges of coach Greg Hoover won the schools first girls district title, winning the District III AA championship by over 30 points. This win also allowed the girls to participate for the first time at state championship meet, held at Lehigh University

On November 6th, Greencastle informed the rest of the state that they would be a team to be reckon with over the next few years as they finished an impressive fourth place

Six girls, freshman Tracy Bowers, Carol Ritz, Lisa Ritz, Kim College, sophomore Bonnie Becker, and junior Angie Thomas all gathered All-Conference honors, while Bowers won the individual championship. Bowers, Carol Ritz, and Becker picked up All-District honors, and Bowers, on the strength of a 18th place finish at the state meet, received All-State honors

"The girls found out what a little hard work will do" said Hoover. "It was a good team effort by everyone, especially seniors Beth O'leary and Jennifer Patalinghug" added Hoover

With the top six runners returning, and the 1982 BML individual champ Gena Korrell returning, the future looks bright for girls cross country at GAHS

The season started slowly for us because of my inability to judge the talents of our players. This being my first year as coach, with a new style of play, made progress difficult to obtain.

From the start of our first practice, through the season, the players were dedicated to the work put before them. Because of their attitude, dedication, and support from the school and parents, I see no reason for the 1983 season not to be a success.

See you in the fall; I look forward to next season, no coach could ask for a better group of young people to work with. May we fill the stadium with enthusiasm.

This year's basketball team had another respectable season as they finished with a 12-12 record

Chip Comer led the team in scoring and finished as the third leading scorer in the BML. Bruce Plowman led in rebounding. Bruce also made the most memorable shot-a last second winner against Waynesboro. Seniors Dale Baumbaugh and Keith Grove supplied some good defense. Doug Myers, Wayne Dopp, and Brian Van Winkle played key roles as reserves.

Under classmen Matt Hickman and Ryan Fetterhoff saw a lot of action and provide a bright outlook for the future. Even though Chris Springs was only a sophomore, he led the team in assists.

The J.V. team finished the season with a 12-10 record including key victories over J.B., New Oxford, and Lithestown. The team consisting of eleven sophomores and one junior showed good promise near the end of the season compiling an 8-5 record after Christmas. Sophomore Kevin Beaver led the team in both scoring and rebounding. All team members contributed during the season and gained valuable experience that should lead to a promising varsity performance in the years to come.

The Girls Varsity Basketball Team of 1982-83 had a very successful year. The team concluded a winning season of twelve victories and nine defeats heading into the district playoffs. Led by the shooting of Renee Frey and Wendy Westling, the Lady Devilettes carved out a fourth finish in the Blue Mountain League. Eight seniors participated on the team including Terry Dixon, Renee Frey, Beth Sellers, Dana Shoup, Beth O'Leary, Kim Tosten, Julie Sprankle and Wendy Westling. Juniors included Jennifer Thomas and Michelle Minnich plus sophomore Debi Debo lettered in her first year.

"The desire and improvement of this team resulted from hard work and dedication. We did not have the best of luck, losing two one point games to James Buchanan and to champion Waynesboro plus a heartbreaker overtime loss to Littlestown. But as a coach, I appreciated the cooperation by team members. It was probably my most pleasureable year involving coaching. I hope we gain from all our experiences and move one step forward in the future."

Jayvees-1982-83

The 1982-83 Jayvee Basketball team coached by Kim Hykes completed a very successful year. They finished with a solid 16 wins, and 4 losses. This group should help the Lady Devilettes in making a solid Varsity team for next year. They expressed a good attitude and consistency throughout the year. Their aggressive and good all around play has made them the pride of the Greencastle basketball program.

Officers

This year's marching band began with summer practices which were held on Tuesday and Thursday evenings throughout most of the summer. These practices were the prelude to Band Workshop which was Aug. 23-27. During the week the band learned the field show and the rest of the music. The band's first performance was Sept. 10 when they played for the first home football game, a very impressive performance. As the season progressed, the band took three second place awards and two first places, including 1st at Chapter championships. The win at Chapter championships allowed them to go to Atlantic Coast Championships at Ben Salem outside Phila. where they received 16th out of 23 bands. The band had several changes this

The guard were the proud owners of new uniforms which were purchased by the band boosters association. The new look enhanced the band a great deal, although the guard only took one 2nd place award, the guard improved by far from the years before. They received our highest score ever of 11 points. This was also the first year the band had used two drum majors. The results of this have been shown very effectly in the fact that in the three competitions that a best drum major award was given. Our majors won all three. This years band has by far been the greatest field band Greencastle has ever produced
